Fire Investigation 2 DVDs, 2 Guides

A 2-part series for personnel who investigate fires as a part of their duties. Program 1 outlines a systematic approach to the investigative process. Program 2 studies fire behavior, how fires start and spread, how firefighting tactics may impact the investigation, recognizing evidence and arson, point of origin, and reporting. **2 DVDs plus 2 Guides. \$395.**

OSHA's two in-two out rule, hazardous chemicals, and increasingly dangerous wildfires pose problems beyond the risks of structural firefighting.

Hazmat/WMD Self Protection for Firefighters. Select and use the appropriate PPE for the hazards to be encountered. **DVD plus Instructor's CD-Rom with Power-Points. \$395 Available as online training.**

Petroleum Storage Tanks. A comprehensive examination of fighting tank fires and safety. Studies cone roof tanks, open floating roof tanks, covered floating roof tanks, and horizontal tanks. **DVD plus text. \$425.**

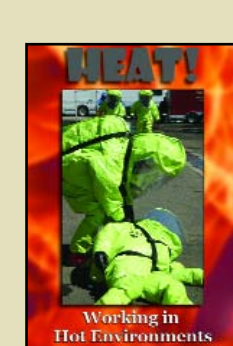

Rapid Intervention Teams. Prepares firefighters and industrial fire brigades to serve as members of a dedicated team to rescue co-workers who become trapped, injured or missing during response activities. **DVD plus Guide. \$425.**

Propane, Butane, & Propylene. Examines the fire protection needs for production and storage of the most common liquefied petroleum gases. Covers safe storage & handling, BLEVES, firefighting & more. **DVD. \$425. Also available as VOD.**

Benzene, Toluene & Xylene. This program teaches about the hazards of aromatic hydrocarbons. Covers safe handling, monitoring for toxic atmospheres, symptoms of exposure, vapor and fire control and environmental concerns. **DVD. \$425.**

Heat! Working in Hot Environments. Avoiding heat injury. Critical training for those who work in protective clothing: firefighters, hazmat teams, bomb squads and military. **DVD plus Guide. \$425. Available as online training.**

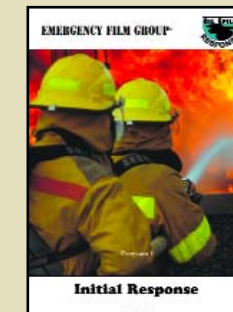

Essentials of Wildland Fire Fighting. This 20 DVD package is a tool for instructors to deliver NWCG/NIMS S-130 and S-190 training. Each segment is designed around a 3 hour block of instruction for drill nights. 40-hour course with 33 hours of instruction and 7 hours of performance training. Includes lesson plans, PowerPoints, exams and guides. **Complete Package - \$1,995.**

Fire Prevention Library. Complete Fire Prevention Library DVD - Six important programs are all included on one DVD. Titles: Fire in the Workplace, Getting Out Alive, Public Assembly Fire Safety, When Fire Strikes, Portable Fire Extinguishers, Assisted Living Emergency Guide. Free reproducible pamphlets and other literature included. Both English and Spanish versions included on same DVD. **DVD plus literature. \$500.**

Foam. Use of foam to fight Class B fires and for hazmat control. Studies properties and use of all current foam concentrates, including special properties and drawbacks of each. **DVD. \$425.**

Initial Response. Fire fighting at oil spills. Stresses safety while providing an overview of oil spill response considerations. Examines hazards associated with oil during the different phases of the spill. **DVD. \$325.**
