Active Shooter: Rapid Response

Compelling training that combines realistic training scenarios with footage of actual mass shooting events. It is designed for all police officers who may be forced to act quickly and decisively in the event of an active shooter situation. Included in the package is a 34-minute DVD with bonus 5-minute segment on "Tactics" plus a separate Instructor CD-Rom with Powerpoint, post seminar quiz, a copy of the script, and extra resources to help present a seminar on this subject. Among the topics covered:

- Actions for the first arriving officer
- Perimeter control
- Rescue teams
- Strategies & tactics
- Managing casualties
- Incident Command
- Deadly force
- Triage
- Entry team options
- Terminating the incident

"Many of the tactics and techniques we use to respond to active shooter events are also applicable in the counterterrorism/terror-event response arena. Emergency Film Group did an excellent job of including such application for the planning and tactics throughout this program."

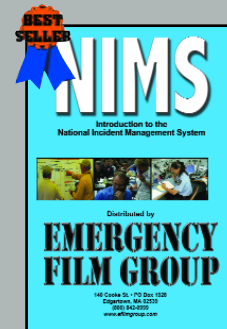

-Frank Borelli, officer.com
